From the wa - ters God has called us in - to be - ing, all good things,  
Here we're saved from storm-y cha - os. Here we see en - dang - ered worth.  
So Christ en - tered Jor-dan's wa - ters, that all wa - ters may be blessed.

from the deep source of cre - a - tion 'neath the Spir - it's breath-ing wings.  
Here our lov - ing tears are fall - ing on the parched and long - ing earth.  
And Christ hal - lows our font's wa - ter, call-ing us in - to his quest.

Out of pri - mal forms of mi - crobes life has spread a - cross the globe!  
Gla - ciers formed o'er pa-tient a - ges all too quick-ly melt a - way;  
Once a - gain he pours out his life, ev - er that his world may thrive.

So our lives are sat - ur - a - ted with the grace God's wa-ters bring.  
We poll - ute the ver - y wa - ters that sus - tain us, give us birth.  
Now our days flow in this prom - ise, serv-ing 'til we share his rest.
